Those of us who have children know how special they are in our lives and how we would not trade them for anything in the world or the world itself. However, sometimes you have certain things you need to do that you cannot take your child with you to do. A perfect example of this would be work or an interview. A simple solution to a problem like that is to enroll your child into some sort of child care program. In today's society it is important to be extremely cautious when selecting a child care provider for your children. It can be very difficult to trust people we do not know, especially when it comes to taking care of a member of your family. I'm sure you have seen some of the shocking videos online or heard some of the stories on the news about abuse and neglect taking place in some child care locations. This is a truly terrifying thought. However, there are steps you can take to help ensure the safety of your child. There are many things you need to consider when choosing a child care provider. You may not know where to start with this list of questions because it is quite long. That is okay because that is exactly what this book is for. The following six chapters will go over some of the most important questions to ask when choosing a child care provider. Continue reading and ensure that your child receives the best care possible!
