This book is different from most books on raising children. It is a plea for the parents to truly know and walk with God - for them to love God and His Word. In the correct order, focusing first on the parents, Andrew Murray then urges parents to sincerely and consistently love their children and in all tenderness and gentleness teach them as God also teaches us.u003cbr /u003eu003cbr /u003e

Children are a most precious gift that we receive from God, and they deserve our very best. Our faithful training will not be lost on our children; this is a promise found over and over again in the Scriptures. If our hearts are right towards God and our children, the world's influence will not impact our children. We can and must exercise faith, so our children and our children's children will be able to impact the world for Christ and inherit eternal blessings.u003cbr /u003eu003cbr /u003e
