A few early reviews: "Although I have been in Thailand for many years, Chris always seems to discover a place that I have never heard about before. That is why I was happy to hear that he had written an e-book on some of the weird and wonderful places that can be found around Thailand. If you want to get off the beaten track, then I highly recommend A Guidebook to Offbeat Thailand as an easy guide to some of Thailand's more bizarre and unseen attractions." -- Richard Barrow, famous Thai blogger. "Take a walk on the weird side with this informative and easy-to-use book that's equipped with handy GPS coordinates and plenty of tell-tale pics." -- Jim Algie, author of "Bizarre Thailand: Tales of Crime, Sex and Black Magic". "Thai culture is often described as "elegant," and while this is certainly true, it also has an endearingly quirky side that can be a lot of fun to explore. Chris Backe's Guidebook to Offbeat Thailand is the finest travel guide to date that specifically hones in on Thailand's quirky and offbeat destinations. With insightful words, great photos and precise directions and maps, it's a user-friendly and thoroughly researched collection that's a must for travelers who want to go beyond the predictable in Thailand." -- David Luekens, Travelfish.org
