Author: Nicholas Sparks

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

The Longest Ride: Booktrack Edition adds an immersive musical soundtrack to your audiobook listening experience! Two couples. Two love stories. One epic tale. Ninety-one-year-old Ira Levinson is in trouble. Struggling to stay conscious after a car crash, with his mind fading, an image of his adored - and long-dead - wife, Ruth, appears. Urging him to hang on, she lovingly recounts the joys and sorrows of their life together - how they met, the dark days of WWII and its unrelenting effect on their families. A few miles away, college student Sophia Danko's life is about to change. Recovering from a breakup, she meets the young, rugged Luke and is thrown into a world far removed from her privileged school life. Sophia sees a new and tantalizing future for herself, but Luke is keeping a secret that could destroy it all. Ira and Ruth. Sophia and Luke. Two couples, separated by years and experience, whose lives are about to converge in the most unexpected - and shocking - of ways. The new love story from the multi-million-copy best-selling author of The Notebook, The Lucky One and The Best of Me. Nicholas Sparks is one of the world's most beloved authors. Booktrack is an immersive format that pairs traditional audiobook narration to complementary music. The tempo and rhythm of the score are in perfect harmony with the action and characters throughout the audiobook. Gently playing in the background, the music never overpowers or distracts from the narration, so listeners can enjoy every minute. When you purchase this Booktrack edition, you receive the exact narration as the traditional audiobook available, with the addition of music throughout.
