THROUGH GLACIER PARK SEEING AMERICA FIRST WITH HOWARD EATON EBOOKS 2019

Author: Mary Roberts Rinehart

Realese Date: Expected @@expectedReleaseDate@@

This is about a three-hundred mile trip across the Rocky Mountains on horseback with Howard Eaton. It is about fishing, and cool nights around a camp-fire, and long days on the trail. It is about a party of all sorts, from everywhere, of men and women, old and young, experienced folk and novices, who had yielded to a desire to belong to the sportsmen of the road. And it is by way of being advice also. Your true convert must always preach. If you are normal and philosophical; if you love your country; if you like bacon, or will eat it anyhow; if you are willing to learn how little you count in the eternal scheme of things; if you are prepared, for the first day or two, to be able to locate every muscle in your body and a few extra ones that seem to have crept in and are crowding, go ride in the Rocky Mountains and save your soul. If you are of the sort that must have fresh cream in its coffee, and its steak rare, and puts its hair up in curlers at night, and likes to talk gossip in great empty places, don't go. Don't read this. Sit in a moving-picture theater and do your traveling.
