When his latest spoil turned out to be Fran Fisher's best friend, Fran gladly agreed to help her get even: 1) Get employed by Sam as organizer of his charity Valentine ball 2) Publically reveal Sam's misdemeanours 3) Leave him as rocked as the women he has misused! But Sam doesn't seem to be the playboy Fran's friend has painted him to be. But one thing is very real – the avid attraction between them! As the ball approaches, Fran no longer wants to be part of the plan. She wants to run...straight into Sam's arms! About the author Sharon Kendrick started story-telling at the age of eleven and has never stopped. She likes to write fast-paced, feel-good romances with heroes who are so sexy they'll make your toes curl! She lives in the beautiful city of Winchester – where she can see the cathedral from her window (when standing on tip-toe!). She has two children, Celia and Patrick and her passions include music, books, cooking and eating – and drifting into daydreams while working out new plots.
