When Malerie and her twin sister Valerie joined the campus of the University of Salem, neither had any idea just how familiar they would soon become with the student body. Though to be fair, it's the students who have become quite familiar with their bodies. Wishing to socialize and break out of her shell, Malerie the smarter of the two did a very dumb thing. She took Valerie and went to a Halloween party at the Omega House. Rumored and whispered about, the Omega House is a sorority led by three of the most deceptive and evil girls the campus has ever known, and thanks to their powers of witchcraft, the campus only knows and says what they allow them to. Nobody escapes Omega House once they have caught the eye of Circe, Lilura, or Maeve. At the party, such delectable twins as Malerie and Valerie were quick to be caught, quick to be held in a warped witchcraft like they would never recover from, and their bodies would never get over. They became dolls, toys for the three sorority witches to play with, to humiliate and use. An attempt at learning their secrets was foiled the first time by Malerie's first boyfriend on campus, but now it's Valentines Day and thanks to her new boyfriend she and her sister might just find a way out of forever being Hex Dolls. Matthew was a boy who once dated Lilura, the witch specializing in enchantments and curses. Once he learned what she was, he tried to break things off but she cursed him with remembering her, giving him the knowledge to help Malerie and Valerie. According to Matthew, an incantation spoken at dusk on Valentines Day by a rival sorority house will break the spell holding Malerie and Valerie in the Omega sister's power. The trick is that their power exists and embodies lust, so love is the only counter to that control. Unless of course, Circe and the other two planned this the entire time, planned to let the twins try gaining freedom, only to use them and their supple controllable bodies to vex the rival sorority house forever, taking a house of brainy girls and forever ridding them of anything resembling true intelligence. Find out the true powers of the scariest and kinkiest sorority house in Salem, with the all new Valentines Vex Dolls of Salem.
