## VALKYRIES EBOOKS 2019

Author: Misty Vixen

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Veronica is a futuristic warrior woman. Genetically engineered and seven feet tall, she was trained to kill like no other. And then she was booted from the military that created her. Saf is a kai, living in a galaxy where she is one of the very few of her kind who chooses to travel among the other races that share a galactic civilization. What they have in common, besides being best friends and casual lovers, is that they're both mercenaries who are fed up with working under idiots. Jared is a human technician who has been living a civilian's life for the past year after getting shot eight times and nearly dying. But living a simple life, he's learning, isn't for him. So when he meets two extremely badass and hot mercenary women looking to form their own group and are looking for a tech, it feels a little like fate, and he signs up immediately. Especially when he learns that they're also very interested in hooking up with him...
