Scott Maxwell is a small-town Canadian cop. A rash of muggings spreads through Belleville and he's walking the beat. As the victims increase, he finds himself caught up in a conspiracy between a group of terrorists ready to unleash horrific bio-engineered plagues onto the world and the secret soceity dedicated to stopping them. Eventually, Scott accompanies the Wardens into action to strike at the Engineered in their base of operations. But the Engineered have their own virus ready for deployment and plan to unleash a horde of Infected zombies into the countryside. Time is running out.
